FAQ's from the Early Care and Education Workforce Registry website

What is the California Early Care and Education Workforce Registry?
The CA ECE Workforce Registry is a web-based system designed to track and promote the employment, training, and education accomplishments of the early care and education (ECE) teachers and providers. For more information visit the website at www.caregistry.org.

What are the benefits to being a member of the Registry?

Registry participants can:
- Build a professional profile that can be securely accessed and updated anytime.
- Electronically store education, training, employment and professional growth accomplishments including transcripts, permits and other pertinent documents.
- Search for jobs.
- Search for trainings.
- Create a resume and share professional qualifications.
- Be recognized as an Early Care Education professional.
- Use Registry ID on Registry Membership Card when signing into trainings and submitting education and training data to ensure that the information is quickly attached to your profile.

How do I join the Registry?
Go to www.caregistry.org and click “Register Now.” You will be directed to the registration page. An email address is required for registration. Once the registration page is complete, click “continue with registration.” Be sure to log into your email and log back into the CA ECE Workforce Registry to activate your account.

How do I activate my account?
Once you finish registering, you will receive an email with a link and instructions to activate your account. Click the link, or copy and paste the link into your web browser. You will be directed to the Registry website where you will log in using the email address and password you created during the registration process. Once you log in, your account is officially activated.
